

message

Dear Friends of United Way:

We recognize that visitors to our web site may be concerned about the information they provide to us, and how we treat this information.

United Way of Gratiot County is committed to keeping all records and donors contact information confidential. This includes any information that you send to United Way in regards to making online pledges, signing up for any sort of communication.

Thank you for visiting us online. We appreciate your continued support. If you have any questions or concerns about your privacy or our web site in general, please direct them to our email address unitedway@gratiot.com.

Sincerely,
Sharon Fenton
Executive Director of United Way of Gratiot County

our official policy

United Way of Gratiot County (herein referred to as "United Way") will never sell, trade, share or rent your personal information to its merchant partners, member agencies or any other third parties without your prior consent.

United Way respects the privacy of its online visitors. We do not collect personally identifiable information from individuals unless they provide it to us voluntarily and knowingly. This means we do not require you to register or provide information in order to view our site.

This web site is owned and operated by United Way of Gratiot County.

information gathered about you

Donating online

When you donate online by credit card, you must submit your name, credit card number and billing information. This information allows us to process and fulfill your donation and to notify you of your donation status.

Your IP Address

An IP address is a number assigned to your computer automatically when you use the internet. We use your IP address along with other users' IP addresses to track usage patterns and improve our Website. At no time is your IP address linked with anything that personally identifies the owner of the IP address.

Other Information Tracked

When you request speakers, register as a campaigner, request information about running a campaign, enter a sweepstakes, complete a survey, vote in online polls or any other function that uses a submit/go feature, we may track personal information you provide in our secure database of community supporters.

what we do with information we gather

Usage Tracking

United Way tracks user traffic patterns, but this tracking is not associated with individual users.

Cookies

A cookie is a small data file that certain Websites write to your computer's hard drive when you visit them. We only uses cookies to make your experience at our Website more pleasant—not track personally identifiable information about you.

A cookie can't read data off your hard drive or read cookie files created by other sites. You can refuse cookies by turning them off in your browser. If you don't know how, use your browser's help function. By turning cookies off, you may limit the sites you can visit.

Our Database

United Way retains information provided by users in a secure database. This database may be used to verify donation transactions, thank supporters for their contributions, keep supporters informed or to solicit future donations.

United Way understands that most people do not want a lot of mail or e-mail, so we keep our communication frequency within reasonable limits. You may request to be removed from our database. All information is secure and credit card information is not held in this database. Information in this database is not shared, traded, sold or rented to any third parties.
